TEACH COLLEGE STUDENTS?

What is the No. 1 thing you do to get your classes off to a great start?

Great ideas get better when shared. Share your tip here to help other college faculty AND for a shot at \$100 for the charity or student group of your choice.

Submit here and vote by Sept 30th. Get out the vote because the Top 3 each receive \$100.

flatworld MIYO personalizes Make It Your Own. Only with MIYO can professors take a college textbook and modify it in real time, online in the world's first truly a single drag-and-drop. www.flatworldknowledge.com/miyo

Students this way! Sign up Log in

Our Catalog Educators Students

Customize your Flat World Textbook. Meet MIYO.

To get started:
Log in or Register*, find a book, and MIYO!

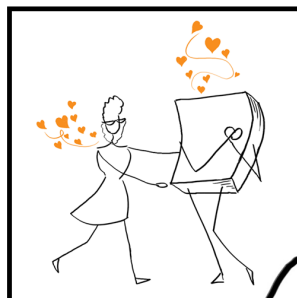

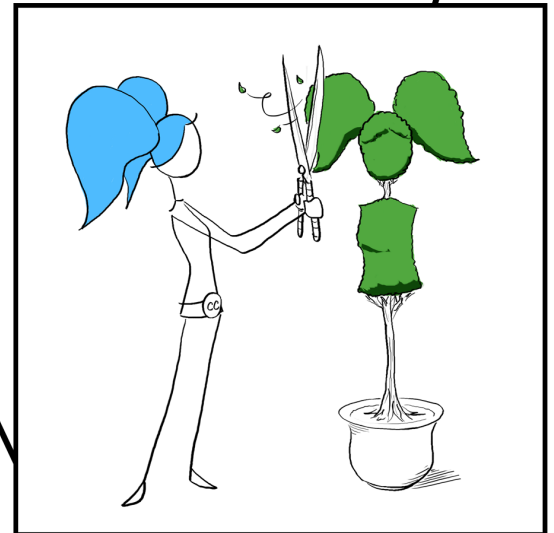

MIYO is the first quick and easy textbook customization platform in the industry. No more access codes, long waits for your book, or marked-up prices for your students.

Want to reorder, add, or delete your book's chapters/sections, or even edit a paragraph at the line level? **Leave It To MIYO.**

* This instructor registration approval process may take up to 2 business days to process the majority of our requests.

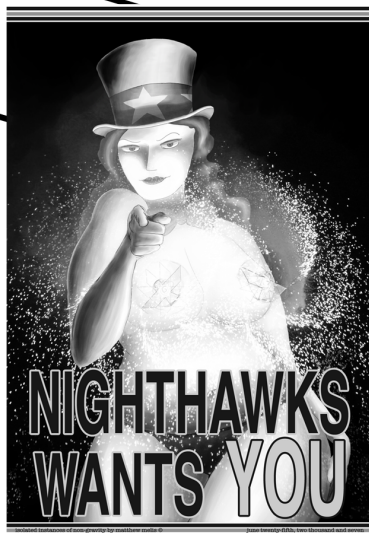

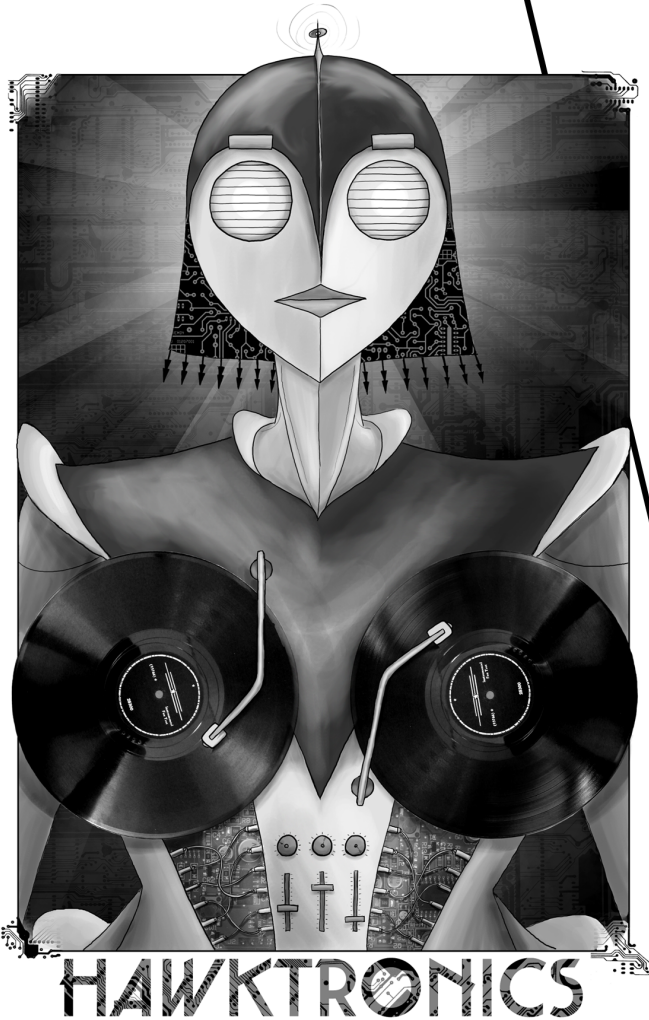

Find your book at www.flatworldknowledge.com

Watch MIYO go. What do you wish you could do to your textbooks?
